

CUSTOM TARIFF CONFIGURATOR

Section C: – Pickup & Delivery Service Charge (ITEM 50)

The Pickup & Delivery Service Charge (ITEM 50) is an optional charge for your tariff. This charge would be added as a standard charge for all quotes, and is computed as a percentage of the discounted Transportation Service Charge (ITEM 45). This charge compensates the carrier for basic services including the basic disassembly/re-assembly of standard furniture items; standard furniture carries less than 75 feet from/to the moving truck, and, depending on your selection in Section G, may also include standard stair carries. Please make your selection below (choose one):

ITEM 50 charge shall be included in my tariff rated quotes and shall be computed as % of the discounted Transportation Service Charge (ITEM 45).

The basic services described in ITEM 50 shall be included in my tariff at no charge. However, I understand that additional charges for long carry, stair flights, elevators, etc. may apply and I will specify these options and pricing in Sections G – J of this tariff configurator.

Section D: – Special Insurance Rate Charge (ITEM 55)

The SIR or Special Insurance Rate Charge (ITEM 55) is an optional charge for your tariff. This charge would be added as a standard charge for all quotes, and is computed as a percentage of the discounted Transportation Service Charge (ITEM 45). This charge is designed to compensate the carrier for insurance industry increases to the carrier's own insurance coverage rates for general liability, terrorism, and other related insurance policies that have seen an increase since September 11, 2001. This an optional charge, so please make your selection below (choose one):

ITEM 55 shall be included in my tariff rated quotes and shall be computed as % of the discounted Transportation Service Charge (ITEM 45).

ITEM 55 shall not be included in my tariff, and I will not be charging shipper's for this charge.

Section E: –Tariff Rate Discount for Packing/Unpacking Services (ITEM 95, ITEM 100)

The examples below show the maximum rates from your tariff for ITEM 95 for a Full Pack Service only. The tariff discount you will set for Packing Services will be applied to the tariff maximum rate figures for ITEM 95 Full Pack, ITEM 95 Full Pack with Full Unpack; ITEM 100 Custom Pack, and ITEM 100 Custom Pack with Custom Unpack Service. The discount rate that you set for this will not be added to by the broker, so the price generated from your discount will be the actual price in the quote. The example discount rate below is 68% of the maximum rate.

| Full Pack Service (ITEM 95) Example | | | |
